Abstract

This Deliverable provides the link to the Mobilidata website: www.mobidata-bw.de.

- The website has been online with new features since 2024.
- New features include data information (verkehrsinfo-bw.de; svz-bw.de) for the public according to open data regulations.
- New harvesting to NAP (Mobilithek) is in place, supporting the national access point with data and fulfilling EU-delegated regulations e.g. 2017/1926.
- 90.000 website visits in 2024.

Co-funded by the European Union
